Grease Disposal

Pouring fats, oils, and grease down the drain this holiday season can cause serious and expensive pipe blockages. The Solid Waste Recycling Drop Off Center is available 24 hours a day, seven days a week. To participate, please follow these steps:

1. Place leftover cooking greases, frying oils, meat drippings and bacon fats into a container.
2. Bring the grease to the city's Solid Waste/Recycling drop-off center at 1701 N. Hercules Ave, Clearwater, FL 33765
3. Pour the contents of the container into the large barrel that is on-site. Take the empty container home or place it in the trash afterwards, as a container with a layer of grease inside is not recyclable.

For more information call (727) 562-4920 or visit myclearwater.com/recycling
