Memorial Day...

Memorial Day is a federal holiday observed on the last Monday of May to honor the men and women who died while in the military service of their country. In **2020**, it will be commemorated on **Monday, May 25th**. We must spend time remembering those who lost their lives and could not come home, reflecting on their service, and why we have the luxury and freedom that we enjoy today. We should also consider how we can support and safeguard their grieving families and loved ones who are left behind. For a list of charities to donate in honor of this cause, visit www.give.org (type in "Memorial Day giving" in the section that asks you to enter a charity).
