**Crime Prevention Tips
for Home & Travel**

When Traveling:

- Carry as few cards as possible in your wallet – that goes for identity cards and credit cards alike.
- Avoid carrying large amounts of cash.
- Always keep your purse close to your body and never leave it in a shopping cart.
- Don't allow your cell phone to be a distraction.
- Avoid walking alone after dark or in areas that are known to be dangerous.

At Home:

- Have deadbolts installed on your doors, and keep all doors and windows locked.
- Draw the curtains at night, and keep the outside and inside of your house well lit.
- Do not leave extra keys in obvious places.
- Do not remain in an elevator with a stranger if you feel unsafe. Do not buzz anyone in unless you are certain you know who they are.
- Retrieve your mail as soon as possible, or set up a P.O. box, so sensitive mail cannot be stolen.
- Never allow an unsolicited person to enter your home. Ask for identification, even if they say it is an emergency. If necessary, call the company to confirm the individual is meant to be there.
- Call **911** to report any/all suspicious activity, as well as the PH staff at **(727) 446-1045**.
